Subject: Keep Uber

To whom this may concern:

I am a consumer who has greatly enjoyed the ease and comfort of Uber services. Nothing else compares to it. I feel safe, and it is very convenient. Please do not take away my safe way to get home quickly. I am a woman and it's difficult getting rides to and from places especially at night. Uber has met a need that other services have not. Keep us women safe by allowing us to use Uber in South Carolina!!!

Sincerely,

Celita Moore

I am sending this email to ensure that my voice is heard. Uber, in my belief, is a safe and inexpensive way to travel throughout my city. I hope that uber will continue to be an option for all citizens of this state. Thank you for your time!

My experience with Uber in South Carolina has been excellent. I am disappointed to learn about the recent PSC ruling and strongly recommend it's reversal.

Thank you,

Dear PSC dept., as a mom of a young adult in Columbia, South Carolina, I just want to send you a quick note to support uber. These college kids rely on uber for rides around the university area. It is a great option for them.

Thank you,

To whom it may concern,

Please do not cease Uber in South Carolina. My family and friends (over 100 people) were just there in November for my wedding and Uber was super convenient and adorable. It was a pleasure having someone at our finger tips.
Please save Uber in South Carolina.

Thanks you.
